Fiberglass Hot Sticks

Fiberglass hot sticks are a lineman's best friend. They allow safe contact with energized equipment because of their insulating ability. All sticks are not created equal. . .

A Better Stick! The BLUE STRIPE® Fiberglass Hot Stick line is the latest evolution in sticks. We have incorporated several advanced features that make them safe, dependable, easily maintained and lineman friendly. Read more in our "[Better Stick](#)" Brochure

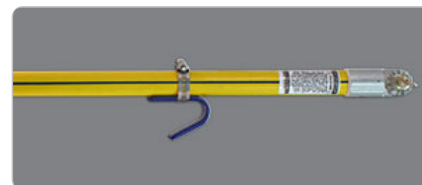

BLUE STRIPE® Telescopic Hot Sticks

Utility Solutions BLUE STRIPE® Telescopic Hot Sticks are the strongest, lightest sticks on the market, able to withstand the rigors of daily use and misuse without sacrificing lightweight portability.

BLUE STRIPE® Shotgun Sticks

Utility Solutions BLUE STRIPE® Shotgun Sticks are the strongest, lightest sticks on the market, able to withstand the rigors of daily use and misuse without sacrificing lightweight portability.

BLUE STRIPE® Universal Straight Sticks

Universal straight sticks are available in 1.25" and 1.5" diameters with single or double Spline Ends. Each stick includes our patented BLUE STRIPE® feature and a plastisol hanger.

BLUE STRIPE® Switch Head Straight Sticks

Universal straight sticks are available in 1.25" and 1.5" diameters with single or double Spline Ends. Each stick includes our patented BLUE STRIPE® feature and a plastisol hanger.

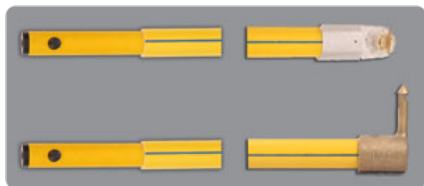

BLUE STRIPE® Disconnect Head Straight Sticks

Universal straight sticks are available in 1.25" and 1.5" diameters with single or double Spline Ends. Each stick includes our patented BLUE STRIPE® feature and a plastisol hanger.

BLUE STRIPE® Custom Straight Sticks

Foam filled straight sticks are custom made to meet each individual need. The user selects overall length and the hotstick accessories for both ends.

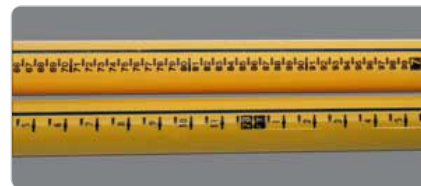

BLUE STRIPE® Sectional Disconnect Sticks

BLUE STRIPE® sectional disconnect sticks snap together to create custom length tools with interchangeable end fittings for specific applications. The compact nature of sectional sticks eliminates the need to store long single piece sticks.

Snap On Adapters for Disconnect Sticks

Snap on adapters are used in conjunction with our standard Sectional Disconnect Sticks.

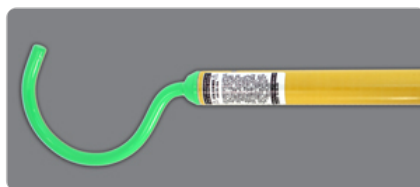

BLUE STRIPE® Measuring Sticks

The BLUE STRIPE® Measuring Stick is our standard Telescopic Hot Stick with large, clear print running along side our patented BLUE STRIPE® feature.

BLUE STRIPE® Heavy Duty Substation Sticks

Our Substation Sticks are robust, compact and built for heavy duty substation applications.

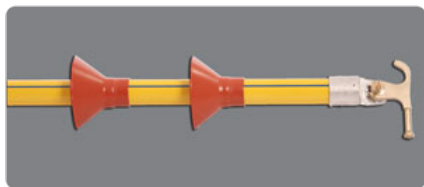

BLUE STRIPE® Cable Hook Stick

The Utility Solutions BLUE STRIPE® Cable Hook Stick enables safe and secure handling of installed underground cables.

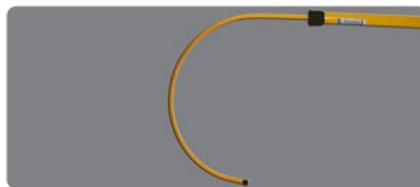

Boom Holster

Your Favorite Stick is always within reach with our Boom Holster!

BLUE STRIPE® Severe Weather Stick

Severe Weather Sticks provide a lineman with extra protection during inclement weather.

BLUE STRIPE® Rescue Hook

The Utility Solutions Rescue Hook is an invaluable tool to assist in removing an injured worker from hazardous location, including confined spaces, electrical gear, and vaults.

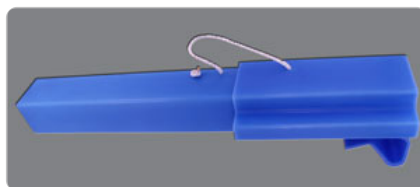

BLUE STRIPE® Discharge Hook

The Utility Solutions BLUE STRIPE® Discharge Hook safely eliminates a static charge after de-energizing.

Protective Bags for Fiberglass Sticks

Water resistant and mold resistant vinyl storage bags designed for the entire Utility Solutions fiberglass stick product line. Every bag incorporates a folded end with snap lock.

Bucket Stick Storage Case

Polymeric Storage Case For USTS-004- USTS-006- USTS-008- USTS-010 AND USTS-012 Sticks. Conveniently clips over the side of the bucket without need for drilling.

Jumper-T

Insulated overhead T bracket for grounding leads or jumper leads. Rated for 300 Amp continuous service and up to 34.5 kV applications.

Hot Stick Accessories

Hot Stick tools and accessories for all applications.

Spline Torque Bar

The Spline Torque Bar allows an operator to apply increased torque at a safe distance to insulated shotgun stick applications.

BLUE STRIPE® Cloth & Wipes

Stay current with the OSHA requirement of daily inspection and wiping of high voltage rated fiberglass hot sticks by using our Blue Stripe® Cloth and Wipes.

BLUE STRIPE® Hot Stick Wax & Cleaner

Stay OSHA compliant and extend the life of your hot stick with our Blue Stripe® Hot Stick Wax and General Purpose Cleaner.
