Sunbeam 61048 digital clock, countdown and count-up timer

2-3/8" wide x 2" high

Battery operated. Limited lifetime warranty when purchased from Robinson.
Use as clock in **Clock Mode**; Use as countdown or count-up timer in **Timer Mode**
Can be stood upright on countertop, or use magnet to stick to appliance
Made in China for tiny fingers: disappointingly small 2-2/3" wide x 2" high.

1) Install provided AG13 battery on back of timer.
Timer automatically enters Clock Mode, and unlit LCD display shows 0:00

2) Set clock: Must be in Clock Mode to set clock. While in Clock Mode, press Hour
and then Min buttons to select current time. Press Start/Stop to confirm setting.

3) Use as a countdown timer, for precise cooking times, watering times etc.
Press Hour and MIN buttons at same time to enter Timer Mode. Timer beeps and display shows 0:00

-Press hour and then minute buttons to set desired hours-and-minutes.
        Time range 19 hours and 59 minutes / or 19 minutes and 59 seconds
-Press Start/Stop button to begin countdown.
-Beep sounds at end of countdown. Timer keeps beeping until Start/Stop is pressed. Countdown automatically starts the same countdown over again.
To exit Countdown and resume Clock Mode, press and hold Hour and MIN buttons and then press Start/Stop button

4) Pause countdown:
Press Stop/Start. To resume countdown, press Start/Stop again.

5) Use as Count Up timer. Counts up to 19 minutes and 59 seconds.
Press Hour and MIN buttons to display 0:00. Then press Start/Stop button. Count-up time begins.

6) **Beeps:** Timer beeps each 5 and 10 minute intervals during countdown. This timer does not connect to electrical device. To end beeping, press Stop/Start button.

7) Reset: To reset countdown, press Hour and MIN buttons at same time, until display shows 0:00.
Reset current time while in Clock Mode: Press and hold Start/Stop until display starts blinking. Release Start/Stop.
Press Hour and MIN buttons to set current time. Press Start/Stop to confirm and set time.
Also reset time by removing and re-installing battery.
