From the Manufacturer

The Coleman Cable 13547 24-hour outdoor timer on 6-outlet power stake automatically controls your landscape lights, holiday lights, and more. This programmable timer has settings that repeat daily, it can use the sunlight (with photoelectric eye) to automatically turn on at dusk and off at dawn, or 2, 4, 6, or 8, hours later. The durable flip cover keeps rain, snow, and animals away from the timer and outlets. It has a 4-Foot 14/3 SJTW cord and helps lower energy costs. This unit is rated at 125-volt, 15-amp, 1875-watt resistive 125-volt, 8-amp, 1000-watt tungsten.
