From the Manufacturer

Woods 17321 All Weather Outdoor Timer with 3-Outlets and 6-Foot Cord. The yard master is an outdoor 3-outlet yard stake with built-in timer and photocell. You can quit running outside to turn your lights on or off. The timer will operate power by one of the 7 pre-set options. Flip covers protect each outlet and timer face. The 6 foot cord is 14-gauge with 3 conductors. You can simply insert the stake into the ground, then attach the timer. Have any one of these desired settings: off, on, dusk-to-dawn, on at dusk/off 2 hours later, on at dusk/ off 4 hours later, on at dusk/off 6 hours later, or on at dusk/off 8 hours later. This is the perfect item for Christmas lights
